easy pairing

Before using the headset you have to pair it with your Bluetooth® handset.

1. Make sure your headset is charged and turn it on.
2. Activate Bluetooth® on your mobile phone.
3. Set the headset in pairing mode by selecting the option "Pairing" from the voice menu or pressing the multifunction button for about 5 seconds.

4. Search for new device in your mobile phone.
5. Select your headset from the list.
6. Enter PIN number: **0000**
If pairing is successful, the Indicator Light will flash every 3 seconds.
